WORK HISTORY

Home Safety Coach, LLC

August 2020 - present

Built a WordPress website, online classes, email marketing strategy, social media platforms to take my expertise and experience as a Physical Therapist Assistant and use it to help elderly online learn how to stay safe at home. https://homesafetycoach.com

Hugs from Mimi, Inc.

December 2014 - present

Built my first WordPress website, set up 501(c)3 to start nonprofit corporation in memory of my Mom. Our mission is to bring comfort and hope to sick children and children in need by providing teddy bears. To date, we have donated over 4,200 Hugs from Mimi teddy bears and have a team of volunteers that help get the bears ready and deliver the bears to the hospital. https://hugsfrommimi.com

Physical Therapist Assistant

May 2009 - March 2021

Worked as a PTA in skilled nursing facilities, home health, and as a travel Therapist consistently since graduation. Assisted the Physical Therapist according to the Plan of Care by helping patients increase their mobility and safety. Met productivity and documentation requirements daily.
